

20 March 2020

Dear Parents and Families,

Thank you all for your support and understanding during this difficult period of school closures, particularly following frequent changes to government guidance this week.

Although there will be a small proportion of pupils from identified groups who will be attending school, many of your children will be learning from home on Monday for a long period of time. Please be reassured that we will do anything we can to support your children's learning, including regularly sending work remotely, and providing support over the phone and email/dojo when needed.

In addition to this, I am pleased to announce our new Trinity Partnership Home Learning Facebook Page! We will use this regularly to signpost additional learning resources and add content of our own to support home learning. Please feel free to like and share!

We will continue to regularly keep in touch with news and updates. If you would like us to share any photos of your children's home learning activities in our newsletters, we would be very pleased to do so. Please email pictures and text to [norman@trinitypartnership.norfolk.sch.uk](mailto:norman@trinitypartnership.norfolk.sch.uk)

I hope you have a restful weekend after a difficult week. Please do not hesitate to get in touch if you need to.

Yours sincerely

Owen Rhodes  
Executive Headteacher
